

48 HOUR POINT GUARD SUMMER SCHOOL

High School - College Players (June)
7th-8th Grade Players (July)

Hello Players and Parents,

It is my pleasure to announce that I will be offering **48 HOURS of POINT GUARD TRAINING** with me, **DEON HUNTER**, this summer. I feel very blessed to be in a position to offer each of you my knowledge and hands-on teaching methods that will tremendously impact your overall ability to play point guard.

With the type of training you will be provided, you will also gain the knowledge that will make you easier to coach AND make your team look better.

Throughout the year, I spend over 25 hours a week providing "Real Time" training to high school boys and girls throughout the state of Texas. Most of the players that I train are committed to doing whatever it takes to get ahead of their competition.

I understand that not all players need personal training. However, if your desire is to continue to get better, it is highly recommended that you continue to put the necessary time into your game to refresh your skills, enhance your knowledge, and capture those things that only practice and time can teach.

In order for me to make the type of impact throughout this 48 HOURS of training, I must begin training myself; just as I did prior to attending the Dallas Mavericks Training Camp in 1989 and 1990. I was always prepared!

Committing yourself to 48 HOURS of learning is never an easy task because human nature tells us that it should come easy. Well, if it comes that easy why do NBA, WNBA and college players have off-season trainers and attend off-season Big Man Camps, Shooting Camps and Point Guard Camps? They, too, want to get better and get ahead!

This is only for serious players who are willing to do the necessary things that will undoubtedly turn you into a point guard, play-making machine.

If you would like to be considered for this spectacular DEON HUNTER event, please email us with your **BASKETBALL PROFILE** and your **MAILING ADDRESS** and we will forward you our summer brochure as soon as it becomes available.
