Time: 8:00pm-10:00pm

Who: Boys (competitive high school players only)

Emphasis: This event is for competitive high school-j.v., varsity and college signees. During this 2-hour event, I will teach, motivate and encourage players to play the game with passion and competitiveness. Players will be encouraged to do things that will have a greater impact on their overall game. My goal is to assist players with improving at a level that will allow them to compete with anyone in the game. During these controlled scrimmages, players will be encouraged to think outside of the box. They will also be given a simple and well-explained defense and offense. Players will be asked to perform at a level that is consistent with their overall capability and potential. Players who are often begged to shoot, play hard, drive, play defense and practice aren't encouraged to participate in this particular event. I am seeking passionate and committed players. If you played jv or varsity this season but didn't get to play much, but you're competitive and you're not ready to give up the game, please be my guest.

****Cost:** 650.00 (A one time, \$50.00 discount will be given to players who bring someone new who hasn't ever participated in any of our HHB/BBI events)

YOU MUST REGISTER IN ADVANCE to participate. Please email hoophunter@hoophunter.com to register. Be sure to provide your child's name, your contact phone number(s). Due to limited space and availability, we are not able to accept last minute participants at the door. We appreciate your understanding.
