

## **DH Youth Sports Ministry: Seeking 7<sup>th</sup>-12<sup>th</sup> grade Youth Musicians, Singers, Creative Thinkers and Organizational Leaders**

Dear Current and Former Sport Players,

The Lord has placed on my heart to continue to lift up the name of Jesus through sports ministry. Because I have chosen to live a Christ centered life and have given him 100% of me, I am eager to share with you those things that he has in-trusted me to do and share with you because of my obedience to him. I have given him my obedience in return for His favor.

My assignment by God is to create a healthy, spirit filled, diversified, uplifting, heartfelt sports ministry that will help to support "A Healthy You!" Through this ministry, I am given the responsibility to assist you with what to expect when playing sports and how not to allow satan to take away the joy that God wants you to have.

Being a youth in sports can be very traumatic. Today, many teenagers can't seem to find the balance needed when participating in sports. I feel it's my duty to create an environment that will support the needs of many youth playing sports, and address many of the things that each of you share together that needs addressing in a God pleasing way. Please join me as I create a "Trail Blazing Path" to help you achieve success through sports ministry.

What I'm looking for: 7<sup>th</sup> – 12<sup>th</sup> grade youth interested in joining Deon Hunter.

I am seeking drummers, guitar players, singers - both male and female, saxophone players, violin players, flute players, banjo players, piano and keyboard players, and any other musical gifts that God has blessed you to have. It doesn't matter if you play by ear or read music. The goal of the music ministry will be to develop an array of diversified uplifting and inspiring music that lifts up the name of Jesus.

Creative thinkers with great organizational & computer skills who have a passion for Christ and are not ashamed to lift of the name of Jesus in public are also wanted for this wonderful life-changing event.

Since so many families are placing an alarming amount of emphasis on athletics, "I feel it's my duty and responsibility to promote Christ through sports. I believe that true success in sports can be better achieved through the continued development of our faith in Christ." The bible says," 2 Timothy 2: 15 NIV , Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the work of truth.

If you're interested, please send information about you and your God-given gifts to: [hoophunter@hoophunter.com](mailto:hoophunter@hoophunter.com) Upon review of your information, you will be contacted to inform you of our game plan. My hope is to conduct our first event in March, and then proceed through April and May. My goal is to attract at least 200-300 youths who play sports to our first event which will be conducted in our gymnasium on a Saturday evening.

"Building Believers"
